**Re: Extension Request No.6 Approval, SO-4 Decision Date, Pueblo East Pit,
Permit File No. M-1986-015**

Messrs. Schnabel and Ricken:

On January 13, 2022, the Division of Reclamation, Mining and Safety (Division) received your request, to extend the decision date for SO-4 to allow additional time to post adequate financial warranty for the Pueblo East Pit, Permit File No. M-1986-015 from January 31, 2022 to February 27, 2022. **The Division hereby approves the extension request to February 27, 2022.**

The Division requests that you respond 5 business days before the due date to allow sufficient time to perform a thorough review of submitted materials.

If you need additional information or have any questions, please contact me by telephone at 303-866-3567 x8114, or by email at Patrick.Lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
