Status Update on PR5 and TR76

nmason@newelkcoal.com <nmason@newelkcoal.com>

Thu, Jan 13, 2022 at 4:19 PM

To: "Ebert - DNR, Jared" <jared.ebert@state.co.us>

Jared,

I apologize I was underground when I missed your call. Attached is an extension letter request for PR-5.

Arcadis is still working through some of the hydrology issues from the PR-5. I am also waiting for a report for the subsidence from a specialist we are working with.

I am still waiting for some documentation for TR-76. I am prepared to submit the revision aside from that document.

Re: New Elk Mine
Permit C-1981-012
PR-5 Extension

Dear Mr. Ebert

New Elk Coal Company requests to please extend the Permit Revision 5 decision date to March 11, 2022.

Sincerely,

A handwritten signature in black ink that reads "Nicholas Mason". The signature is written in a cursive, flowing style.

Nicholas Mason
Engineer
