Re: Mica White, Permit M-1992-058, Technical Revision Clarification, Request for Extension

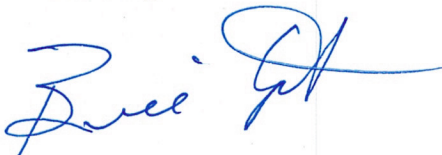

Dear Mr. Cazier,

We have received your letter of January 14, 2022, and due to the looming deadline for submitting a clarification of the technical revision, we are requesting a 30-day extension to allow us time to prepare and submit the information you require.

We will submit the monitoring and mining plan information as soon as it is complete.

If there are any questions, please contact us at the address above, or the email or phone number you have on file.

Sincerely,
