

Pine Junction Pit Site Plan Permit M 1977-245

A weed control plan is in place for the Jefferson County Pine Junction Pit. It consists of spring and fall property inspections to identify noxious weed species which may be present, followed by any necessary chemical applications. A inspections showed Mullein, Kochia, Knapweed, Russian canada and musk thistles, yellow toadflax and scentless chamomile We treated 7 acres of weeds on 8/6/21 with Horsepower, Escort, Curtail and Vista.
