**Re: Northern Colorado Constructors, Bennett Pit, Permit No. M-2016-085,
Complaint Against Mining Operation (CT-02), Complaint Resolution**

Mr. Regan,

The Division of Reclamation, Mining and Safety (Division/DRMS) received your complaint email (CT-02) against the Bennett Pit permitted by Northern Colorado Constructors on November 9, 2021. The Division conducted a site inspection on November 30, 2021 to investigate the complaint topics discussed in your letter. Please see the Division's inspection report for more details regarding the complaint investigation.

The Division does not believe sufficient evidence exists to conclude the mining operation caused the ponding water on the Karlik property. The complaint is considered resolved and no further action will be taken by the Division.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays
