**Re: Denver Brick; Golden Mine; M1976-007UG;
Final Notice of Objections Received to 110c to 112c Conversion Application - CN1**

Ms. Bellantoni,

The Division of Reclamation, Mining and Safety (Division/DRMS) received timely objections to the Golden Mine conversion application CN1, File M1976-007UG. The objections were received within the public comment period which began on December 9, 2021 and ended January 19, 2022.

The public comment period is now closed.

Per your request, the Division will not forward paper copies of all objections to you. Instead, all objections received are now available for viewing and/or download at:
<https://dnrweblink.state.co.us/drms/search.aspx> pursuant to Rule 1.7.1(3). These objections cover a wide range of topics, and the Division encourages the applicant to review them fully.

If you have any questions, please contact me at 303-229-9414 or eric.scott@state.co.us.

Sincerely,

Eric Scott
Environmental Protection Specialist

Ec: Michael Cunningham; DRMS
