RE: Piceance Pit, Permit M-2001-077, Succession of Operators Application SO-3, Withdrawal Acceptance

Dear Mr. Almond:

On February 7, 2022 the Division of Reclamation, Mining and Safety received a request to withdraw the Seccession of Operators Application (SO-3) which was submitted on December 6, 2021. The Division accepts your notice to withdrawal and the revision process is now terminated. Rio Blanco County remains the Operator of the Piceance Pit, Permit M-2001-077. The Division acknowledges that a different Succession of Operator application will be forthcoming. If this process is not initiated in the next 90 days, then Rio Blanco County will need to provide proof of Legal Right to Enter in order to maintain compliance. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Amy Yeldell
Environmental Protection Specialist
