RE: Tallahassee Project, Notice of Intent to Prospect ID No. P-2021-019

Dear Mr. Cazier,

On behalf of Usuran Resources Inc., I would like to formally request an extension until March 31<sup>st</sup>, 2022 in respect of the Notice of Intent to Prospect ID # P-2021-019 application; the current deadline is February 20<sup>th</sup>, 2022.

The extension will allow Usuran to get the necessary bond in place, either by a "cash" bond or with a bonding company, and then the time to file the necessary paperwork with your office. It will also allow Usuran to finalize a drill plan that would be acceptable to the company's exploration needs as well as meeting the regulatory requirements as laid out by your office.

Respectfully submitted,
