***RE: The Pride of America Mine, Permit No. M-1999-058, Technical Revision (TR-08)
Approval***

Mr. Penfield:

The Division of Reclamation, Mining and Safety (Division) has approved the Technical Revision request (TR-08), which was received by the Division on February 16, 2022, and addresses the following:

- 1. Change water sampling interval from monthly to quarterly*
- 2. Cease microblaze bioremediation treatment*

The terms of TR-08 approved by the Division are hereby incorporated into Permit No. M-1999-058. All other conditions and requirements of the permit remain in full force and effect.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

Dustin Czapla
