

2020 Annual Report Map

Property Boundary
Disturbed area backfilled,
sloped and seeded.

LEGEND

Notes:

- Grading setbacks around mine area to be reclaimed will be 25 feet from the permit line.
- Existing lake areas will be filled to at least two (2) feet above the highest water elevation using the materials. No material will be imported.
- Area shown as undisturbed will not be disturbed during reclamation.
- All slopes in the mine will be graded to 2h to 3v, unless shown as flatter on this map.
- Two roads will be left on the south side of the reclaimed area to provide landowner access.
