**Re: Letter of Groundwater Monitoring Compliance 2021, Aggregate Industries - WCR Inc.,
Groundwater Monitoring; Tucson South Resource, Permit No. M-2004-044**

Dear Mr. Whitmer:

On February 2, 2022, the Division of Reclamation, Mining and Safety (DRMS) received your annual groundwater level monitoring data for 2021 included with the Tucson South Resource annual report and map. Upon review of the submitted data the Division has no additional requests for information on the report. The Division does request for future submittals a historical graph of all water levels be submitted along with yearly monitoring data to allow for visual trend analysis.

Please note that groundwater level monitoring data are to be submitted yearly with the annual report, map and fee in accordance with conditions of original permit approval.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8114**, or by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
