RE: North River Gravel Pit Extension, Permit M-1999-007

Ms. Yeldell,

We have reclaimed all area detailed in your reclamation report. Areas 1 through 6 are reclaimed. We look forward to our meeting on March 10th to review the work.

****ACY-Clarification from the operator, all grading has been completed as of 2/28/2022. Soil is still to frozen, seeding will have to wait till later this spring. DRMS will inspect 3/10/2022 and update bond calc based on site conditions.**
