**Re: Extension Request for 112 Construction Materials Reclamation Permit Application
Package Decision Date - Stiles Mining Resource, File M2021-067**

Mr. Scott:

Asphalt Specialties Co., Inc. (ASCI) respectfully requests a 60-day extension of the current 112 Construction Materials Reclamation Permit Application Package decision date from March 13, 2022 to **May 12, 2022** for ASCI's Stiles Mining Resource, File M2021-067. The extension is necessary to adequately address all concerns identified in the Preliminary Review Letter dated January 14, 2022. ASCI anticipates submitting adequacy responses to the Division no later than one week prior to the new decision date (**May 5, 2022**) to allow the Division sufficient time to review.

Sincerely,
