**Re: Jemadojin Sand Mine, Permit No. M-2006-017;
Notice of Request for Temporary Cessation, Initial Period (Revision ID TC3)**

Dear Mr. Tezak:

On March 7, 2022, the Division of Reclamation, Mining and Safety (Division) received your notice to revise the permit status on the above listed site to Temporary Cessation retro-actively effective February 28, 2019. Your Notice of Temporary Cessation is considered complete and filed.

The Notice of Temporary Cessation will be acknowledged in the monthly activity report attached to the agenda for the April 20-21, 2022 meeting of the Mined Land Reclamation Board unless a written, timely objection is filed by a person directly and adversely affected or aggrieved as defined by Rule 1.1(38) of the Construction Materials Rules.

If objections are received by Thursday April 14, 2022 the Division will place the Notice of Temporary Cessation on the regular agenda for the April 20-21, 2022 meeting of the Mined Land Reclamation Board. During that meeting the Board will consider whether or not to accept the Notice.

If you have any questions, please contact me at (303) 328-5229.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
