**Re: Solberg Pit, Permit No. M-1981-044;
Amendment 3 (AM-3) Second Decision Date Extension Approval**

Dear Mr. Solberg,

On March 10, 2022 the Division received an emailed request from Pioneer for an extension to the decision date for the subject Amendment. The Division hereby approves their request for an extension to April 30, 2022.

Please keep in mind April 30th is the new decision date. The Division will need time to review your adequacy responses prior to issuing a decision, preferably two weeks, but a minimum of one week. We would ask that your adequacy response be received no later than April 15, 2022.

If you have any questions, please contact me at (303) 328-5229.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
