Thank you for informing me of this complaint. We have not been doing any mining on the property, and will not until all permissions are in place with park county. Any machine work that has been done, is getting access and a place to park the burner.

Dustin,

Please see the attached Notice of Citizen Complaint for a complaint the Division received against the Loddon Mill Cobble site (M-2020-054). I have included the complaint that was submitted anonymously through the Division's online complaint process.

Please let me know if you have any questions.
