*Good morning Tim,**I found out this morning that I did not have the updated information on my GIS program. Tony said that the shape file (zip file) that I had emailed you last week did include the correct coordinates, I just didn't have updated information on my computer program.**Attached are the correct coordinates. Let us know if you need anything else.**Thank you,**Annette Ortega**Fremont County DOT**Phone: 719-276-7430**Fax: 719-275-2120**The Devil whispered in my ear: "You are not strong enough to survive the storm." I whispered in the Devil's ear: "I am the storm." ~~Unknown*

Nope, these are the same coordinates - just in decimal degrees instead of degree, minute, second.

I'll hold off till you can talk to Sterling or Tony
