Hi Rob –

In regards to the Bennett and Delta Paving Pits I would like to request an extension to May 2nd, 2022. We are looking at Western States Reclamation to mitigate the weeds and they are updating their pricing/quote. I don't believe we can get scheduled prior to the end of March.

Thank you for your patience.

Jim

Good Morning Jim,

Ela mentioned that you called regarding this bid. I'm going to update the pricing, and should have the revised bid over to you early next week.

Thank you,

Hello, Jim. That extension is fine with DRMS. I will update the corrective action due dates to 5/2/2022 for all outstanding problems at the Bennett's Gravel Pit and the Delta Paving Pit.

Regards,
Rob
