Re: Mica White, Permit No. M-1992-058, Technical Revision (TR-1)  
Adequacy Item

Mr Cazier:

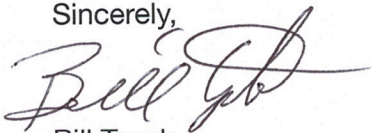

Reference adequacy item for the technical revision of Mica White, Permit No. M-1992-058,  
following is our response:

Colorado Quarries Inc will conduct weekly monitory of the crack in access road, from top and  
bottom of pit. We hereby do commit to include a summary of these monitoring reports on the  
annual report to the DRMS.

Also, if any significant slope movement or change in access road crack occurs, indicating a  
degradation in slope stability, we will notify DRMS within 24 hours.

If there are any questions, please contact us at 719-275-6894.

Sincerely,

Bill Tezak  
Colorado Quarries Inc
