Re: Mica White, Permit No. M-1992-058, Technical Revision Approval, Revision No. TR-1

Dear Mr. Tezak:

On March 17, 2022 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on February 8, 2022, addressing the following:

Modifying the mining plan to improve slope stability

The terms of the Technical Revision No. 1 approved by the Division are hereby incorporated into Permit No. M-1992-058. All other conditions and requirements of Permit No. M-1992-058 remain in full force and effect.

This revision was determined to have no impact on the financial warranty. Therefore, no surety increase is warranted at this time.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
