Re: Mountain Coal Company, LLC, West Elk Mine; Permit No. C-1980-007; Minor Revision No. MR-460 Development mining of Potential E-seam Longwall Panels 15, 16 & 17

Dear Mr. Simmons,

Mountain Coal Company, LLC (MCC) submits this application of Minor Revision No. 460, the development mining of potential E-seam Longwall panels 15, 16 & 17. Potential Longwall Panels 15, 16 & 17 are in the location of currently permitted Panel 9.

MCC is requesting to development mine for potential longwall panels 15, 16 & 17 in the E-seam. MCC will not conduct any longwall mining without proper approval from the Colorado Division of Reclamation, Mining and Safety (CDRMS) and other appropriate agencies through the submission and approval of TR-150.

Please see attached Map 51 showing the layout of potential panels 15, 16 & 17 and the proposed development mining area.

Please contact me by email or at 970-929-2219 with any questions or concerns regarding this revision.

Sincerely,

A handwritten signature in cursive script that reads "Nicole Poulos".
