### Supplemental Information

Mining commenced in March 2021 so this is the first year annual report. Much of the material mined this year was used to construct internal roads on land we own.

8. Approximately 1.7 acres is disturbed. We continued to mine deeper into the gravel until the bedrock is reached (tan). Processing is being done of the floor.
9. Approximately 0.77 acres is striped. Mining will continue into the striped area this year.
10. No reclamation is called for during the next year as the mine is in the early startup phase.
14. No weed control was needed as the mine is new this year.
19. The approved bond amount is \$27,500 and is adequate to reclaim the disturbance at this time.
