RE: Tallahassee Project, Notice of Intent to Prospect ID No. P-2021-019

Dear Mr. Cazier,

On behalf of Usuran Resources Inc., I would like to formally request an extension until April 30th, 2022 in respect of the Notice of Intent to Prospect ID # P-2021-019 application; the current extended deadline is March 31st, 2022.

The extension will allow Usuran to get the necessary bond in place; the bond paperwork requires wet signatures and owing to the fact that some of the principals are out of country this will take some time to achieve, and then the time to file the necessary paperwork with your respective offices.

Respectfully submitted,
