Re: New Elk Mine  
Permit C-1981-012  
TR-76 Response

Dear Mr. Ebert:

Please find electronically attached a revised application for TR-76 for the New Elk Mine (C-1981-012). TR-76 adds a haul road to the Permit Application Package (PAP). This letter and submittal is in response to the incompleteness letter from CDRMS for the previously submitted TR-76.

Attached are revised pages 14 through 18 of Section 2.05 to describe the haul road. Also, this revision adds maps 11-5 and 11-6 to the PAP.

We appreciate your efforts to review this information promptly. Please call me if you have any questions or comments.

Sincerely,

A handwritten signature in dark ink that reads "Nicholas Mason". The signature is written in a cursive, flowing style.

Nicholas Mason  
Mine Engineer  
New Elk Coal
