RE: Cross Gold Mine, Permit No. M-1977-410 Technical Revision No. 10 (TR10).

Dear Ms. Eschberger:

In response to your email dated March 25, 2022, regarding Cross Gold Mine TR No. 10 and the preliminary adequacy review, please consider this a request for a 15-day extension. Due to the limited time available under the initial review period and the extensive information requested, it is imperative that we have more time to address the issues brought up in the review.

Thank you for continuing to work with us throughout this proposed TR No. 10 and I look forward to providing you the requested information once the extension is approved.

Please do not hesitate to contact me directly with any additional questions or concerns.

Respectfully,

Daniel J. Takami
