**Re: Receipt of Schist Island Backfill Weekly Report, Week 28
Cresson Project, Permit No. M-1980-244**

Dear Melissa Harmon,

On March 24, 2022, the Division of Reclamation, Mining and Safety received the Schist Island Backfill Weekly Report for Week 28, covering March 5th to March 11th. This report is in accordance with commitments made within Amendment 13 and the Division has no comments on this report at this time.

Please note, in the Division's Receipt of Schist Island Backfill Weekly Report for Week 27, dated March 18, 2022, the Division accidentally stated the Week 27 Report covered February 26th to March 3rd when it actually covered to March 4th.

Sincerely,

Elliott R. Russell
