Dear Mr. Piper,

DRMS is in receipt of a check in the amount of \$2,696.00 and paperwork comprising a lease and right to enter the property of Harold and Shirley Eichman. The information received is apparently in reference to DRMS permit M1985105, a 110c operation. DRMS is unable to accept these document without a formal permitting request, and are returning the items to the Lincoln County, Colorado administrators. These items are enclosed.

The following website:

<https://drms.colorado.gov/forms/minerals-program-forms>

constitutes a guide and provides the necessary forms for submitting a complete revision to a permit that DRMS can act on. Please peruse the website and contact me with any questions and concerns.

It is the Division's understanding the point of contact for the permittee, permitting contact, and inspection contact for the permits held by Lincoln County has changed, please contact the Division so that we may assist you with updating our records with this information.

Sincerely
