Hi Tim,

I have double checked with our stormwater team and sent an inspector out to visit the site. Please see photos attached.

Please be advised the El Paso County has no issues with the reclamation efforts and you desire to reduce or close out the bond. We do understand that re-vegetation efforts are still in place and would value those efforts; and would like for you to make sure that those continue until at least 70% of the area has been revegetated.

Respectfully,

Elizabeth Nijkamp, PE
