**RE: Cross Gold Mine, Permit No. M-1977-410, Response to Request to Install Pipeline**

Mr. Takami:

On April 14, 2022 the Operator, Grand Island Resources, LLC (GIR), submitted a request to install a pipeline to preclude overtopping of Pond #1 during runoff to the Division of Reclamation, Mining and Safety (DRMS/Division). This request for DRMS approval of activities is in conformance with the Cease-and-Desist Order issued by the Mined Land Reclamation Board during the enforcement hearing held on December 15, 2021. The Division has completed its review of your submittal and will approve the proposed activities with the following stipulations:

1. The installation of the piping be thoroughly documented on the relevant maps and incorporated to the adequacy review responses for TR-10 currently under review.
2. The length of pipe will be documented and added to the Operators response to item #13 of Preliminary Adequacy Review for TR-10.
3. A supplemental narrative of the pipeline purpose and operation will be included in the responses to TR-10 adequacy items.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8114**, or by email at [patrick.lennberg@state.co.us](mailto:patrick.lennberg@state.co.us).

Sincerely,

Patrick Lennberg  
Environmental Protection Specialist
