***RE: Arkansas Valley Slag (AVS), File # M-2021-058 , 112c Application Decision Date Extension and Request for Proof of Filing Technical Revision with County Clerk and Recorder***

Mr. Michael:

On April 11, 2022 the Division of Reclamation, Mining and Safety (Division) received your request for Technical Revision (TR-01) to the application. Rule 1.8.1(1) allows that an applicant may make a technical revision to an application for a permit under consideration by the Division by filing the technical revision with the Division and placing a copy with the County Clerk and Recorder. Pursuant to Rule 1.8.1(2) please provide the Division with an affidavit or receipt demonstrating that TR-01 was placed with the County Clerk and Recorder not later than the close of business on the day TR-01 was filed with the Division.

Rule 1.8.4(1) requires the Division to set a new date for consideration of the 112c application no earlier than 20 days after the date TR-01 was filed. Therefore, the Division has updated the date for consideration of your application to **May 2, 2022**.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Czapla'.
