Notice of Board Item Withdrawal

Dear Mr. Barton:

On April 18, 2022, the Division of Reclamation, Mining and Safety (Division) received the past due 2022 Annual Report, Map, and Fee for the Barton Pit. Therefore, this item has been withdrawn from the agenda for the April 20, 2022 Mined Land Reclamation Board meeting. This means the enforcement hearing described in the Division's March 7, 2022 Notice of Violation letter has been vacated.

Please be advised, the Civil Penalty assessed for Violation No. MV-2022-005 in the amount of \$791.00 has not been vacated, and is due at this time. If the Division does not receive the required Civil Penalty within 30 days of the date of this letter, by **May 18, 2022**, it will be referred to State collections.

Civil penalties are paid by check and mailed to the address below.
