RE: H/S Properties Gravel Pit, Permit No. M-2007-042, Surety Release Request (SL-01), Approval

Mr. Saxton:

On March 16, 2022 the Division of Reclamation, Mining and Safety (Division) received a request for release of reclamation responsibility for the above referenced site. Division staff inspected the site on April 20, 2022 and determined that the Operator has successfully complied with the requirements of the Act, Rules and Regulations, and the approved Reclamation Plan, and that the site is ready to be released from any further reclamation responsibility. The Division approved the full surety release, SL-01, for permit no. M-2007-042.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter, before releasing the financial warranty, in order to address any comments or objections to this decision. If you have not received the financial and performance warranties by June 3, 2022, please contact Sara Stevenson-Benn at (303) 866-3567, ext. 8148 or sara.stevenson-benn@state.co.us.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,
