Hi Marc. This is a friendly reminder of a corrective action coming due for the Nyholt Pit. See the attached copy of the inspection report which discusses the requirement to post a mine sign at the entrance. Once the sign is posted, please take a photo and send it to me to show that you are in compliance with the terms of the permit. Note, the due date for the corrective action is April 30, 2022.

Feel free to contact me if you have any questions.

Kind regards,

Nikie Gagnon
