**RE: AVS Project Update**

Dear Leadville Sanitation Board of Directors, Joseph Fattor, and Stephen Bain

Thank you for your response to our letter regarding the sewer and water line.

CJK Milling Company commits to providing Leadville Sanitation with a sufficient easement, estimated to be 35 feet in width (17.5 feet on either side of the centerline) with the exception of the swamp area to be determined by Leadville Sanitation, upon the confirmed platted location.

We respectfully request this be brought up for discussion at the next Board meeting. Kindly let us know if Leadville Sanitation has agreed to lift their objection based on this commitment.

Please contact me for additional information or clarifications. I may be reached by phone at 303-947-3499, or by email at [nmichael@unionmilling.com](mailto:nmichael@unionmilling.com).

On Behalf of CJK Milling Company,

*[signed]*

Nick Michael, Member
