Annual Report Compliance

Hi Tim,

This letter is to inform your office of the sale of the Agnus Dei lode claim (permit # M-2013-052) on April 26, 2022. I am not certain if the buyer has finished recording the signed/notarized quit claim deed at the El Paso County Recorder's office. BLM records might not reflect the change of ownership yet. The annual report and map due for the Agnus Dei for the previous year are not affected by this transfer of ownership except that the legal right to enter has changed as of the sale/transfer date. I am expecting to file with the new owner for a succession of operator so that the permit will be maintained by the new owner.

Thanks for all of your help, sincerely,

Jean Cowman
