Dear Mr. Marques,

The 2nd and 3rd paragraphs in the letter are in conflict with each other. The 3rd paragraph seems appropriate but it appears the 2nd paragraph was included in error?

Can you please clarify?

Best regards,

Dear Mr. Drinkard,

The second paragraph refers to the MOU and includes some of the language of the MOU. This is template language that is included in our letters regarding the MOU. The third paragraph notes that we find that a finding of "no adverse effect" is appropriate for the undertaking.

Best,
