**RE: Roadside Portals Mine, C-1981-041
Technical Revision No. 71 Preliminary Adequacy Review**

Dear Ms. Hammond,

The Colorado Division of Reclamation, Mining and Safety (the Division) received the Roadside Mine's submittal of Technical Revision No. 71 (TR-71) on March 30, 2022. The revision was deemed complete on April 6, 2022. The Division has completed its preliminary adequacy review of the application and has no adequacy concerns. The Division has scheduled an inspection with Colorado Parks and Wildlife of the Roadside mine to discuss and observed the changes proposed under TR-71. The inspection is scheduled for the morning of May 19, 2022.

This concludes the Division's preliminary adequacy review of Technical Revision No. 71. If you have any questions or concerns, please feel free to contact me at (303)-866-3567 x8185 or by email at clayton.wein@state.co.us.

Sincerely,

Clayton Wein
Environmental Protection Specialist
