RE: M-1983-216  
Lumsden Canyon Pit

Enclosed is the Annual Fee and Report Request along with a Mesa County Warrant in the amount of \$323.00.

The existing stockpile was cleared. During last year's mining season, crews prepped for revegetation by placing material to grade. Some erosion control on the northeast face of the pit was conducted.

Anticipated activity for this year is to begin the revegetation process and start the reclamation and closing process.

If you have any questions, please do not hesitate to contact myself at 970-244-1895 or [rudy.bevan@mesacounty.us](mailto:rudy.bevan@mesacounty.us).

Sincerely,

DocuSigned by:
