Hi Paul,

The Division grants your extension request. All SO2 adequacy items will now need to be addressed by June 14, 2022.

Best regards,

As per our conversation yesterday I am send this email to request an extension on the filing of succession of operator for the Mullet excavating pit #1.

The reason for the request is that the attorney that is able to sign on behalf of Mullett Excavating LLC has been out of the country and will not be returning until the 17th of May.

If you need any other information please let me know.

Thank You

Paul Bottini
