Subject: M-2003-003 Request for Name Change

Dear Mr. Czepla:

On behalf of La Plata County, the new operator of M-2003-003, I am requesting that the name of the operation be changed from Amzak Pit to **Westside Gravel Pit**.

This is a return to the old name, which Consolidated Construction (a previous operator) had requested be changed to Amzak Pit, on 13 June 2007, by letter to Ms. Elizabeth Shelton. The County believes that the past negative connotations are no longer of concern and changing the name at this time will help in conversion to the new ownership and operation of the Pit.

Authorization to act for La Plata County in this matter was provided last week with the Succession of Operator application.

Thank you for your rapid response to the transfer and related matters. If you need any additional information from WASTELINE, please let us know.

Sincerely,

Nathan A. Barton, CE, PE, DEE
Environmental and Permitting Compliance Engineer
On behalf of La Plata County
