RE: Piceance Pit, Permit M-2001-077, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision SO-4

Dear Mr. Hurley:

On May 12, 2022 the Division of Reclamation, Mining and Safety received the Application Form for Transfer of Mineral Permit and Succession of Operators from Rio Blanco County to IHC Scott, Inc., for the Piceance Pit, Permit M-2001-077. The following items are incomplete for the application to be processed:

Financial Warranty

1. Affidavit of Authorship signed on behalf of Terri Priday at IHC Scott, Inc. otherwise bonding is complete. See Attached form.

Legal Right of Entry

2. Provide a description of the basis for legal right of entry to the site and to conduct mining and reclamation. See Construction Materials Rules 6.3.7, 6.4.14, and 1.6.2(1)(e)(i). This may be a copy of an access lease, deed, abstract of title, current tax receipt, or a signed and notarized statement by the property owners stating that the Prospective Successor has a legal right to enter.

Structure Agreement

3. Provide the Division copies of agreements to compensate the owners of any significant, valuable, and permanent man-made structures and utilities within 200 feet of the affected land ("Structure Agreements"). See attached form. If none, include a statement of such.

Please return the required documentation to the Division **before July 18, 2022**. All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application may be denied after the 60 day submittal request, if requested documents or information are not received. In the event of any delay in your submittal or if you have any questions, please contact the Division.

Sincerely,

Amy C Yeldell
