Good Morning Ken,

We are scheduling the next blast at RCQ to take place on Monday, May 23, 2022 between the permit hours of 8 am to 3 pm and estimating the shot to be set off between 12 noon and 1 pm pending weather and/or mechanical issues. This will be a normal production shot on bench 4 shooting towards the NW. Please feel free to contact me should you have any questions or concerns.

Have a great weekend,
