Good Morning, Elliot;

I just wanted to give you an update on some of the things you mentioned during your site visit on June 14, 2017:

1. I have replaced all of the silt fence, see attached pictures
2. I have mitigated the noxious weeds from the top soil stockpiles
3. I have cleaned the around the office trailer

Also, I am an working on executing the sale of the mining operation, it is my hope that your office will receive the necessary paper work for a sometime within the next six months.

Thanks ,

Bryan Johnson
