MEMO

TO: Colorado Division of Reclamation, Mining and Safety
Department of Natural Resources

From: City of Colorado Springs Parks, Recreation and Cultural Services

Date: June 2, 2022

Subject: M-1977-210 Snyder Quarry Annual Report

The memo includes additional information and action regarding a response to a question on the Annual Report Questionnaire for the Snyder Quarry Annual Report (M1977210)

Question #2: Is the affected area boundary clearly marked in accordance with Rule 3.1.12(2)?

Response: No. At the time on inspection on June 1, 2022, the affected areas did not appear to be clearly marked as required per Rule 3.1.12(2).

Action Required: The City of Colorado Springs will install markers that are clearly visible and adequate to delineate the affected area boundary. Markers will be installed within 15 business days.

Please contact us with any concerns or questions.

Thank you.
