RE: J-Bird Mine, Permit # M-2005-050

Notice of Operations;

The J-Bird Mine will resume activity starting May 31, 2022. The increase in the market price of Uranium has risen considerably and we anticipate a mill will follow shortly. A ventilation fan will be brought in to ventilate the mine and conduct an assessment for mine rehabilitation. Underground equipment will be brought in to conduct mine rehabilitation as needed.

Please contact me at 970-417-1239 if you have questions or concerns.

Thank You,

Alan Chiles/President
