Re: Yukon Kiss Placer Claim - File No. P-2022-008
Notice of Intent to Conduct Mineral Prospecting (NOI)

Dear Mr. West:

Until the requirements for safe access to the claim are known, I respectfully request suspension of the Notice of Intent to Conduct Mineral Prospecting (NOI). When the Bureau of Land Management, as the Owner of the Property, and the Colorado Department of Transportation, as the Permitting Agency, determine the requirements, a plan will be submitted for the CDOT Highway Access Permit activities.

You may hold the application fee and minimum bond amount previously submitted or return the funds at your discretion. Thank you.

Sincerely,
Thomas C. Anderson, P.E.
