Hello Adam,

As you are likely aware, Casey Evans has submitted a Modification to his gold prospecting NOI permit with the State, expanding last year's project to different areas of his BLM mineral claims. Casey had mentioned you may be reaching out to me regarding the Barr Star Land LLC agreement to confirm that it has not been terminated as outlined in Section 1(b.) of the agreement. Can you confirm that the agreement is still in place? A simple reply to this email is all that is needed as I just want to make sure Casey still has access to his project.

Thank you for your time.

Thank you Adam. I will add these to the file and I will start the process to approve Casey's NOI application.

Please let me know if you have any questions.
