**Re: Varra Companies; Two Rivers Sand, Gravel and Reservoir Project; M-2022-013;
Late Objection Letter**

Dear Ms. Driscoll:

On June 15, 2022 the Division of Reclamation, Mining and Safety (Division/DRMS) received your email regarding the proposed Two Rivers Sand, Gravel and Reservoir Project, reclamation permit M-2022-013. Your submittal was received outside of the public comment period for this application, which ran from April 18, 2022 to June 2, 2022. The Division will review your letter and will include it in the public file, however you will not be a party to the application process.

Please be aware that the Division is reviewing this application closely, including potential impacts on wildlife. Many of the issues that you raise, related to traffic and land use planning, are the jurisdiction of municipal governments (City of Evans, Weld County) rather than the Division.

Sincerely,

Robert D. Zuber
Environmental Protection Specialist
