**Re: Varra Companies; Two Rivers Sand, Gravel and Reservoir Project; M-2022-013;
Late Objection Letter**

Dear Ms. Zumbrun:

On June 21, 2022 the Division of Reclamation, Mining and Safety (Division/DRMS) received your objection regarding the proposed Two Rivers Sand, Gravel and Reservoir Project, reclamation permit M-2022-013. Your submittal was received outside of the public comment period for this application, which ran from April 18, 2022 to June 2, 2022. The Division has read your objection and will include it in the public file, however you will not be a party to the application process.

Regarding the notices, at the time of posting, Varra Companies was the applicant. They changed their name to Raptor Materials after that (and complied with Division requirements for the name change). Weld County is on the notice because the application materials can be viewed at the Clerk and Recorder office. Proof of this filing was provided in their application.

Sincerely,
