**RE: Chevron Oil Shale Research, Development and Demo Pilot - File No. P-2007-001  
Surety Release Request Application (SL-1)  
Full/Final Release Request**

Dear Andrew Olson:

The Division of Reclamation, Mining and Safety received your Mineral Prospecting Surety Release Request application for the Chevron Oil Shale Research, Development and Demo Pilot located in Rio Blanco County. The application was deemed complete and all comment and review periods began on June 21, 2022. A decision date has been set for July 21, 2022.

The Division will conduct an inspection of the site within thirty days of the filing date of the application (June 21, 2022).

Our review of this file shows the exploration to be on Bureau of Land Management land. You must contact the agency noted below and secure a written statement that verifies satisfactory completion of reclamation. Upon receipt of this statement, we can process your release request.
